HIGHWAY CLEANUP EVENT

HIGHWAY CLEANUP EVENT – October 11th, 2025

Please set aside Saturday, October 11th, from 8:30 am until 11 am for our First Highway Clean-up day !!

We will be cleaning up both sides of the road for the first 2 miles of US #120 North, leaving Thermopolis and heading toward the airport and Cody.

We will meet at mile marker #1 on the right (North) side of the highway heading west. There is a wide spot to pull over and park there. We will gather at 8:30 am, and we'll plan to end no later than 11 am.

Kim Bartlett and John Fenton will provide drinks and goodies for us at the halfway point, in front of their property!!!

We hope to have enough participants to break into teams and cover both sides of the highway. No one should need to pick up and clean more than one mile.

Bring a friend and a friend of a friend. Family and older (>12) children are also welcome. With your support and participation, we can make this a fun event!!! If our plans work out, we will be maintaining this section of highway twice per year in the future.

We hope to see you soon. Please share this email with your family, friends, and friends of friends.
