

# Second highway clean up event

Please set aside Saturday, April 25th, from 10am until 12:00pm for our Second Bi-Annual Highway Clean up !!

We will be responsible for cleaning up both sides of the road for the first 2 miles of US #120 North, leaving Thermopolis and heading toward the airport and Cody.

We will meet at mile marker #1 on the right (North) side of the highway heading west. There is a wide spot to pull over there. We will gather at 10:00 am, and we'll plan to end no later than 12:00.

There will be refreshments at the halfway point.

We plan to have enough folks to break into teams and cover both sides of the road. No one should need to pickup and clean more than one mile.

Bring a friend and a friend of a friend. Family and older (>12) children are also welcome. With your support and participation, we can make this a fun event!!!

If our plans work out, we will be responsible for cleaning this section of highway twice per year moving forward.

We hope to see you soon. Please share this email with your family, friends, and friends of friends.
