Debriefs:

6/1 WDP State Convention

Great attendance, in Casper, a lot of platform changes. Grammatical and wording changes. Actually finished! 17 delegates going to convention. Kim is "Superdelegate", John is a "page". 13 elected delegates, 4 automatic delegates. Many young delegates and delegates of color. Dedicated account for DNC donations to help with expenses.

6/1 BrewFest

Got stuck in a bad location! Made \$4. Kim Keiffer-Herzing was really good at reaching out to people. Thank you! Dale was very unhappy with 2 booths 3 feet in front of us. He felt it was deliberate. We were the only ones blocked in.

6/5 Dave Freudenthal

71-76 Attendees. Park, Fremont and Washakie counties. Sold all books. Publisher donated some, and we bought some at wholesale and made a profit. Thanks to all that contributed to the spread. We were not charged by the school but we donated \$100 anyway to the school district. Positive feedback from attendees.

6/8 PrideFest

Well received and a great event. 75-100 people. Some tourists. Photo in the paper was the only negative.

6/22 Reproductive Rights Seminar

Sam made it to Lander. Excellent information. 4 woman panel who needed medical reproductive care. National speaker who has written books on the subject. That night was the republican candidate forum.

7/4 Ice Cream Social

Ice cream melts! 200-300 people. Many tourists. Vets added a new dimension to the crowd. Go see Todd Davis (uncle junk) who gave us tremendous help.
